

THE ENVOY 1962

Arnold County

ENVoy

1962

EDMONTON, ALBERTA

----ITER PARA TUTUM ----

ITER PARA TUTUM --- MAKE OUR WAY SECURE

These were the words inscribed on the insignia of Archbishop Henry Joseph O'Leary. To his memory we respectfully dedicate the first issue of the O'Leary ENVOY.

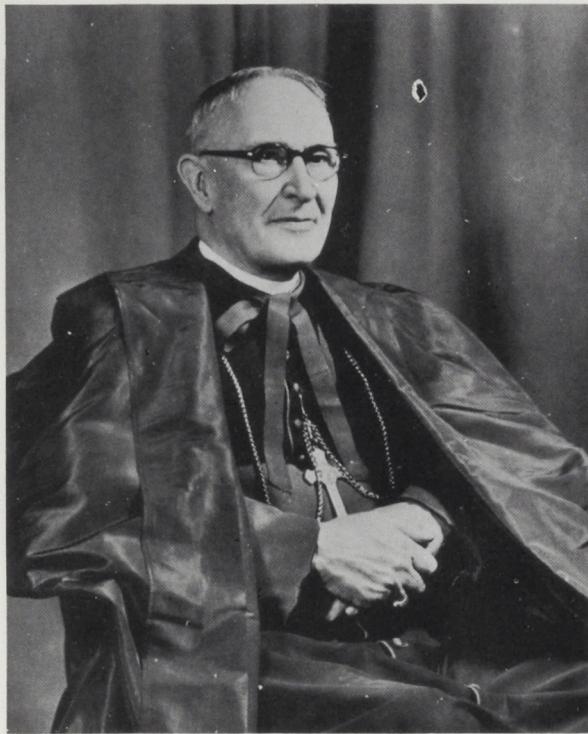

The education of Catholic youth was, he considered, of prime importance and during his episcopate he laboured unceasingly to further Catholic education in our Archdiocese. On one occasion Archbishop O'Leary stated, "The intellect, the memory, the imagination, the will, not to speak of the physical faculties, all require training and the most important part of education, is not so much that of the intellect as that of the will. In the formation of the good citizen, intellectual instruction alone will never supply the deficiency of inadequate training of the will. On the contrary, the better instructed intellectually, if the will is perverted towards wrong, the more dangerous will that man be to his fellowman and do to society in general."

"And in his quiet way he does a wonderful job."
Archbishop O'Leary

It was in these simple and sincere words that Archbishop O'Leary paid his personal tribute to an eminent educator -- Mr. Austin O'Brien. In gratitude for the latter's unwavering interest in our high school, its staff and students, we offer a joint dedication of the first issue of the O'Leary ENVOY.

On July 1, 1961, Mr. O'Brien retired from his position as Superintendent of the Edmonton Separate Schools, after an active administration of thirty-seven years. During his term of office, he was renowned for his traditional respect for high academic standards, coupled with a modern regard for better methods of teaching. We, the students of O'Leary High School, are daily reaping the benefits of his faithful adherence to his responsibility in spearheading the constant progress of the Edmonton Separate Schools.

BEST WISHES FROM
HIS GRACE
ARCHBISHOP
MAC DONALD

My congratulations and my thanks to all O'Leary teachers and students on the splendid progress made up to the present time. Such results would hardly be possible without working and pulling together. This cooperative spirit should always prevail in your school.

I believe it will. A sound tradition once started and based on truth and common sense, is not easily lost. Life is hard in recent years for those whose High School education was neglected. Such neglect is like starting life on a shaky foundation, something that was quite possible a generation ago when nearly all labour was unskilled, but extremely difficult in recent years, and becoming more so as we advance in this age of science.

We wish you all to enjoy success and happiness. For this the secret is industry and application all through life and particularly in Junior and Senior High School years. Most of us can recall our own years at school. They were not always pleasant; but those who made good use of them were deeply grateful later on for the lessons learned through hard work and self-denial.

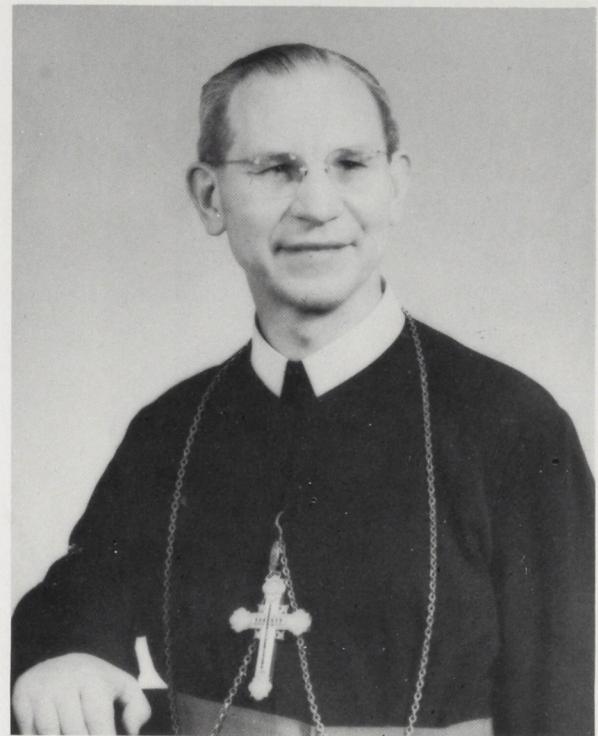

This applies whether answering a call to the priesthood, the religious life, or secular pursuits. All of them deserve serious and reverent consideration. The priesthood and the religious life are not the easiest walks of life. Neither was the path chosen by our Saviour to show us the way to happiness and genuine security. "What shall it profit a man if he gain the whole world, and suffer the loss of his soul?" The fact that any particular walk of life is not easy should not deter us. The Lord who calls us can, if we ask Him, make even the hardest way both pleasant and fruitful.

There are thousands of vacant jobs these past few years, because most men and women shun those that entail hard work and self-sacrifice, -- the very things that would build better characters, better homes, better schools and a better world.

Sincerely in Christ,

Archbishop of Edmonton.

CONGRATULATIONS
FROM
HIS EXCELLENCY
BISHOP SAVARYN

Dear Graduates:

With this first edition of the O'Leary School Yearbook, it offers me great pleasure in extending my sincerest congratulations to the first graduates from this new house of learning.

On your graduation day you experience an inner satisfaction that you have accomplished great things and you shine with a readiness to face the life of your own responsibilities. I wish you happiness in whatever walk of life God wishes you to choose. Your days will be pleasant and secure if you weave into the pattern of everyday living the principles of Christian living, the knowledge of which you have acquired during your school years. Then your life and the lives of those around you will become richer because of this wonderful treasure you carried away with you from O'Leary High School.

I hope and pray that Christ may be for you a lasting source of light, peace and every good.

Neil N. Savaryn,

+Neil N. Savaryn

Bishop for Ukrainian Catholics.

"Running the morning marathon for the O'Leary Special, joining in the pre-class buzz sessions, facing the hourly challenge of the "3R's", participating in the extracurricular activities -- a typical day in the life of an O'Leary High School student."

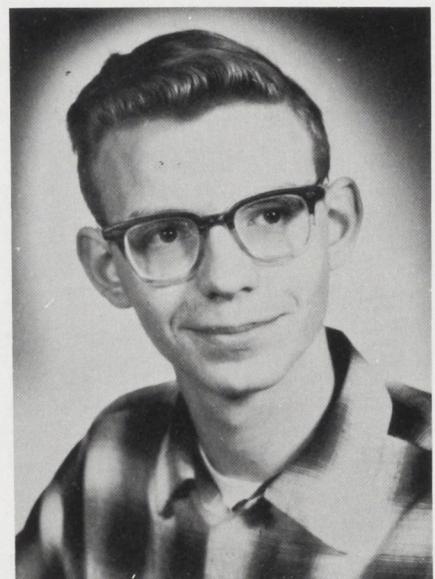

Nevertheless, the first four hundred such hectic days have been characterized by an encouraging combination of initiative, development and progress. One of the culminating features of these two years has been accepting and fulfilling of the responsibility for the editing of our first yearbook. To the principals, Sister Theresa Marie and Brother Hilarion, to our adviser Mrs. Lucich and to the entire yearbook staff we extend our sincere appreciation for the effort, skill, patience, and advice they gave so generously.

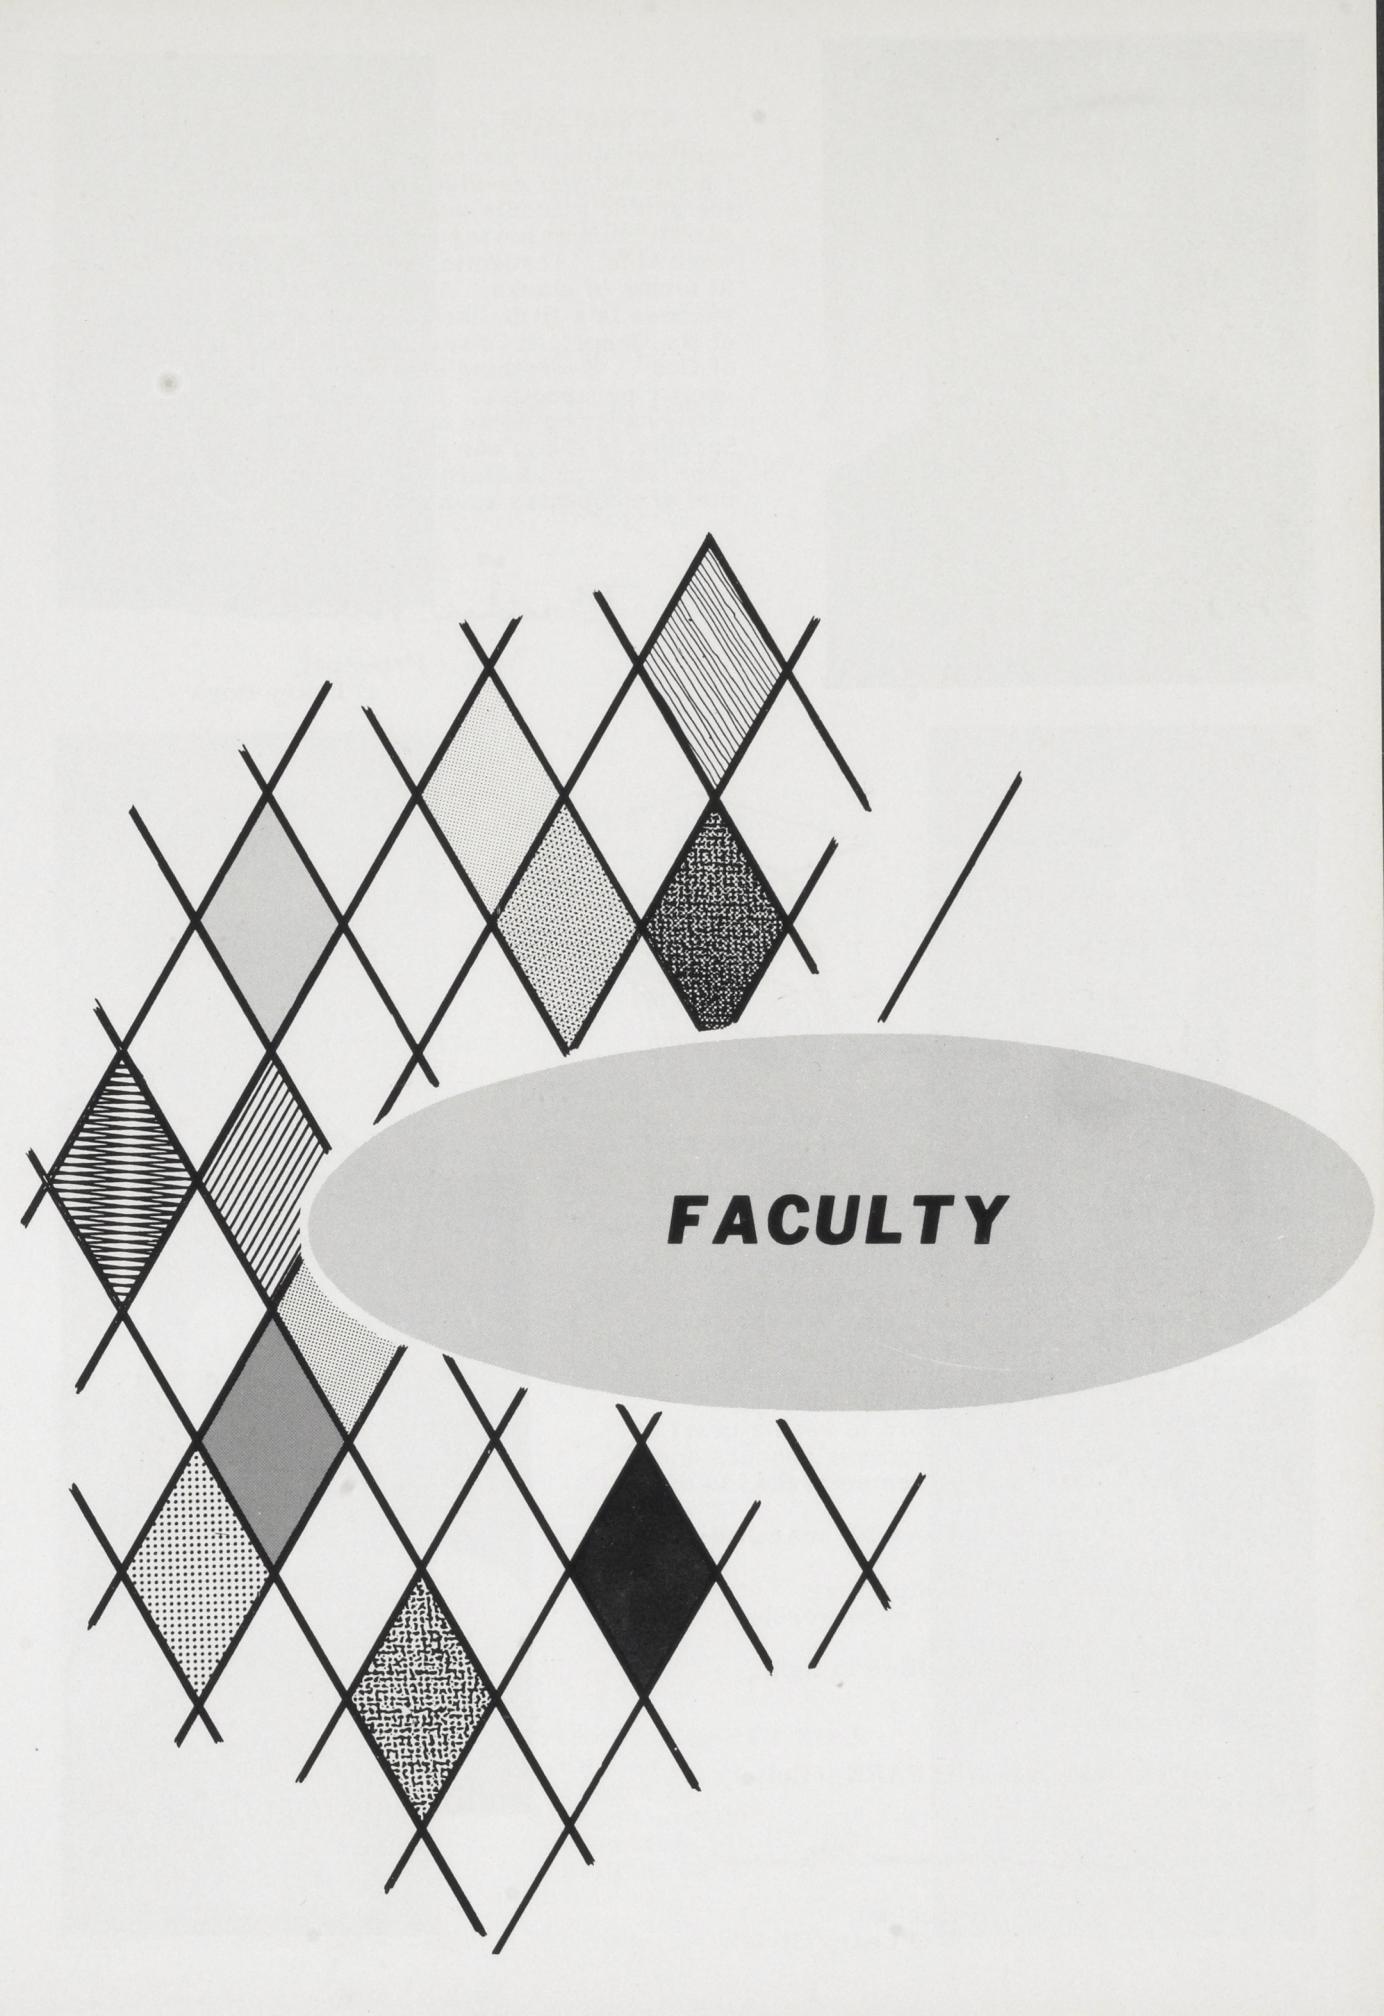

"The Envoy" means the messenger, and thus adequately expresses the purpose of a yearbook. We hope that in future years it will continue to serve as a messenger to bring back to you pleasant memories of your present associates, and of the various events in our busy and exciting year here at O'Leary.

FACULTY

Ten years from now, when nostalgia and senility compel you to leaf through these pages, I hope that you re-discover my message. I wish the senior students success and that feeling of satisfaction at having done the very best that they were able. Academic success is easily measured in terms of marks. After graduation, however, success is a little harder to measure. In terms of the Gospel, it is seeking "first the Kingdom of God". Everything else appears then in its proper perspective. Real success will not necessarily be noted on the financial page. Success is living our life according to God's plan, and, incidentally, enjoying that satisfaction that accompanies such a life.

Brother Hilarion

Principal,
O'Leary Boys'

Brother Cornelius

Sincere congratulations to the editors and staff of the ENVOY. You have done a fine job.

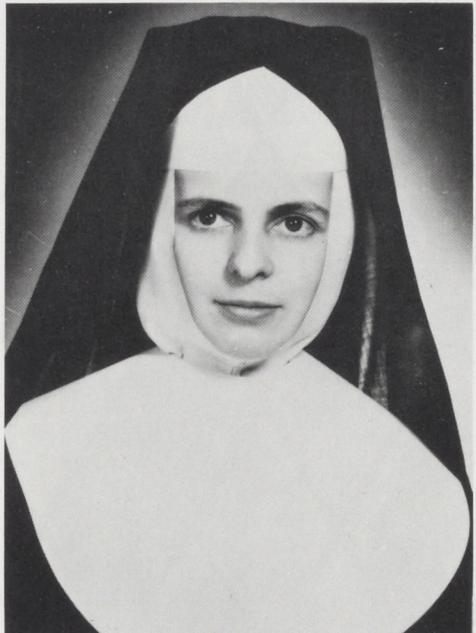

To our graduates, the first of O'Leary High School, we extend our prayerful good wishes. During the two years that you have been at O'Leary High we have endeavoured to pass on to you the torch of aspiration and the ambition to be, to do, each according to his ability. Never forget that you were born to seek a pearl of greater price than worldly success, honours and wealth. May each of you be remembered, to use the words of Browning, as "One who never turned his back but marched breast forward.

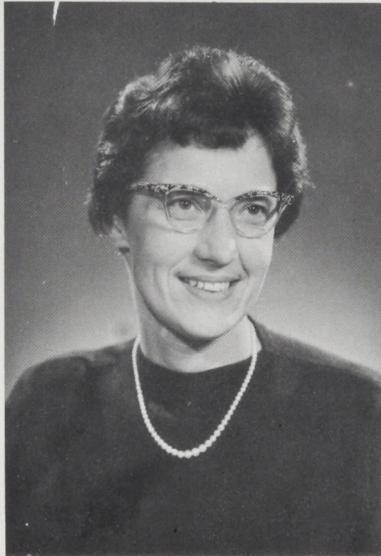

Never doubted clouds would break;
Never dreamed, though right were worsted,
 wrong would triumph;
Held, we fall to rise, are baffled to fight
 better,
Sleep to wake."

Living this, you will FARE infinitely WELL.

Sister Theresa Marie

Principal,
O'Leary Girls'.

Attention Sister Theresa Marie.

Dear Sister:

I have received your kind letter and enclosure of \$100 on behalf of the school, which is to be used for the education of Simon-Henri Ladeira of the Seminary at Kabwe, Republique de Congo.

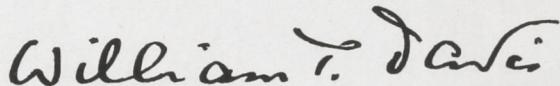

It is in his name as well as my own that I express sincere thanks and appreciation to the students who have contributed this generous donation. I know the sacrifices that go into such a collection, and I am sure our Lord will bless and reward each of the contributors for them.

I know the girls will pray for the success of their spiritual son and I want to assure them that he in turn will remember them as his benefactresses, in his own daily prayers.

My sincere thanks to you Sister for interesting the girls in this all important apostolate, which means so much to the success of the missionary Church.

I ask Our Risen Lord to bless you and the girls and to fill your hearts with holy joy.

Gratefully yours in Christ,

'REVUE - 62'

It has been our privilege this year to have as producer of "Revue-62", Brother Charles, who has had a successful career in directing choral groups in three provinces. Brother directed Chancel Choirs at St. Mary's School, Toronto, and St. Gregory's, Oshawa. These Choirs contributed to the St. Patrick's Shows and Christmas Carol Concerts respectively. At the latter school he received his first experience in set-building. At D'Arcy McGee, Montreal, Brother Charles worked under the experienced direction of Brother Matthias to whom he gives much of the credit for his present knowledge in choral work. During his nine years at Cardinal Newman, Montreal, Brother produced a series of Variety Shows similar to "Revue-62" because he sincerely believes that as many students as possible should benefit by this type of training. Brother Charles' most recent musical training has been received from the Toronto Conservatory of Music and Monsignor Ronan of the renowned St. Michael's Cathedral Choir School. Concerning our "Revue-62", Brother has this to say "I have been very gratified with the spirit of "togetherness" of the boys and girls with whom I have worked at O'Leary. I am particularly grateful for the support given by the principals and staff members, especially to Sister Margaret Rose, co-director of the Glee Club and Miss Puetz, our accompanist. I could not have managed without the loyal assistance given in set-building by Adrian Papirnik, Stan McKinley, Wayne Barre and Don Finley. I wish to publicly thank these boys for the countless hours they worked on Saturdays and holidays".

SCHOOL ORCHESTRA

Brother Andrew, the conductor of the Orchestra, brings to O'Leary his vast experience in instrumental music. The able assistant conductor is Sister Margaret Rose. The Orchestra of 31 pieces was organized in late October and made its debut at the Christmas Carol Concert. All members have had music training but about one half are playing a new instrument in the O'Leary Orchestra. This has meant many hours of practice for those beginning on instruments to keep up with those who had some proficiency in their instruments from the start. They were helped by the experienced players who taught them individually or as groups during regular class practice periods.

A strong sense of duty, readiness to accept responsibility and the ability to lead . . . are some of the qualities required of an officer in Canada's Armed Forces. The development of these leadership qualities in this modern age demands the best in education and training.

The Department of National Defence will sponsor, through the Regular Officer Training Plan (ROTP), a selected number of qualified high school graduates to obtain an education through the Canadian Services

Colleges or through most Canadian universities, leading to a university degree and the Queen's Commission. This training prepares cadets for a career as officers in their chosen service, the Royal Canadian Navy, the Canadian Army or the Royal Canadian Air Force.

There is also a limited entry for those who would choose to obtain higher education at the Canadian Services Colleges at their own expense, and serve after graduation as officers in active components of the Reserve forces.

ROTP

Full details concerning the Regular Officer Training Plan, or entry into the Canadian Services Colleges, as a Reserve cadet, can be obtained without obligation from your nearest Canadian Armed Forces Recruiting Centre or by writing to the Director ROTP, Department of National Defence, Ottawa, Ontario. Closing date for candidates applying for 1962 FALL CLASSES is 1 July, 1962.

CO-OPERATION . . .
. . . TEAMWORK BUILDS A DESIRABLE COMMUNITY

It has been said, many times, "that man is not an island unto himself."

It will be obvious throughout your growing life, socially, on the sports field, in commerce, and in the world of science.....your future success depends on many others.

Wherever co-operation is practiced sincerely, it builds much more for us all, than what the individual can manage alone!
